## Library Research Guides

### Searching Proquest

ProQuest Sociology, Social Services Abstracts, and Sociological Abstracts

Proquest provides us with several databases. This guide will give you a quick overview of the search page, the results list and options for how to save, request, and cite these sources for your research.

For more details on searching in Proquest, please refer to the Help tab on the top navigation bar of each database.

**Database Name:** Click on [Choose Databases](#) to search more than one at a time. This may increase the number of results your get.

**Search Terms:** Enter your search terms in the boxes. Use the drop down menu on the right to choose a specific type of

The screenshot shows the ProQuest Advanced Search interface. At the top, it indicates 'You are searching: 3 databases'. Below the search bar, there are three input fields for search terms, each with a dropdown menu set to 'All fields + text'. The 'Search options' section includes checkboxes for 'Full text' and 'Peer reviewed', a 'Date range' dropdown set to 'All dates', and a 'Source type' list with options like Books, Conference Papers & Proceedings, Dissertations & Theses, Magazines, Reports, Scholarly Journals, and Trade Journals. A 'Limit to:' section is highlighted with a red arrow pointing to the 'Peer reviewed' checkbox. A 'Search subject areas' section on the right shows options for 'Social Work & Social Sciences' and 'Education'. A callout box at the bottom right explains the 'Limit' option.

**Limit:** Narrow your results to **peer reviewed** sources, by **date** or by other limiters.

## Search Results

**Preview pane:** Hover over this icon to preview quickly a summary or brief citation of the article

**Limit:** Narrow your results to peer reviewed or full-text sources, by date or by other limiters.

The screenshot shows the ProQuest search results page for the query 'dual disorder'. At the top, there are search filters for 'Full text' and 'Peer reviewed', along with options to 'Create alert', 'Create RSS feed', and 'Save search'. Below the search bar, it indicates '2740 Results\*'. A 'Suggested subjects' section lists categories like 'Mental Disorders' and 'Mental Disorders AND Substance-Related Disorders'. A list of search results is shown, with the first result being 'Psychometric Properties of the Dual-Disorder Treatment Fidelity Scale: Inter-Rater Reliability and Concurrent Validity'. A 'Preview' icon is visible next to each result. On the right side, there is a 'Sort results by' dropdown menu set to 'Relevance' and a 'Narrow results by' section with various filters like 'Source type', 'Publication title', and 'Document type'.

**Clustering:** Narrow your results further by subject or source type

**Full text or Not?** Check here to see if you can view the article right away. If not, click to search our Catalogue or ask us to get the item for you.

## Article Information

The screenshot shows the article information page for the selected article. It includes the title 'Psychometric Properties of the Dual-Disorder Treatment Fidelity Scale: Inter-Rater Reliability and Concurrent Validity' by Wilson, Diane C; Crisanti, Annette S. The page offers various actions like 'Add to selected items', 'Save to My Research', 'Email', 'Print', 'Cite', 'Export', and 'Save as file'. There are also 'Other formats' and 'Find a copy' options. A 'Request' button is present with a note 'if Booth does not have item'. Below the article title, there is an 'Abstract (summary)' section with a 'Translate' button. On the right side, there is a 'References' section with 'References (20)', 'Documents with shared references (3588)', and a 'See similar items' link.

**Tools:** Click on these icons to print, save, email, bookmark, and get formatted citations in APA, MLA, Chicago & other styles
