Library Research Guides

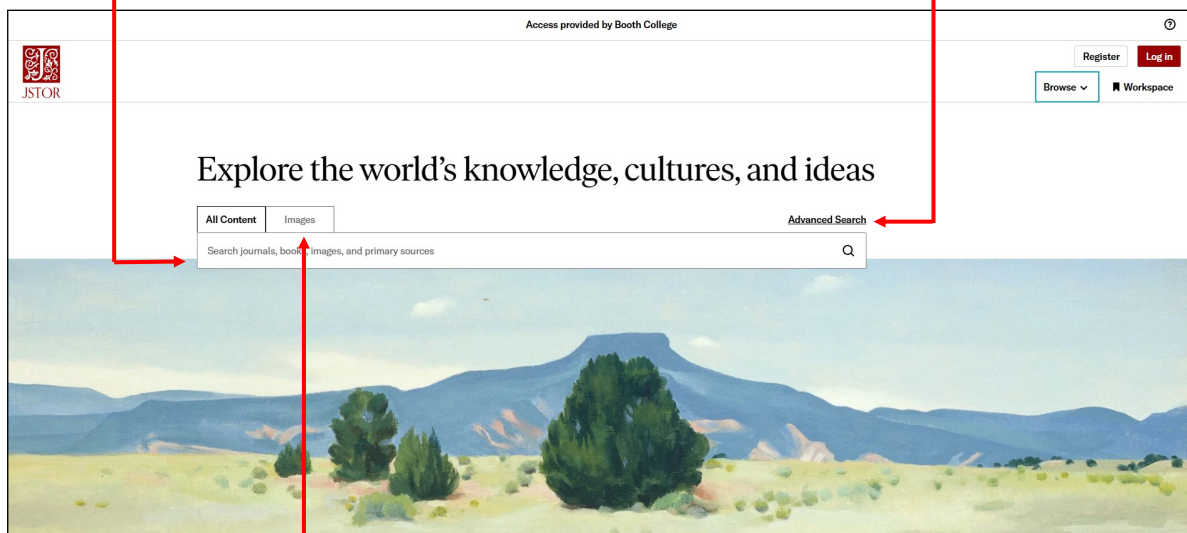

Searching JSTOR

JSTOR provides articles and primary sources for Scholarly arts, humanities, business, and social sciences. This guide will give you a quick overview of the search page, the results list and options for how to save, request, and cite these sources for your research.

For more details on searching in JSTOR, please refer to the [Search Help](#) link at the top of the Advanced Search page.

Search: Type in keywords or a phrase about your topic.

Advanced Search: Click here to refine your search.

Images: Click here to search for images only.
